Predator 4 x 4 Power Wheelchair

PREDATOR 4 x 4

This is the mean beast of power 4 x 4 wheelchairs, yep it is the ALL TERRAIN 4 x 4 1000 Watt mother of Power 4 x 4 Wheelchairs. Sand, gravel, hills, grass ... bring it on! Pure brute power waiting to be unleashed. A rugged Power Wheelchair that allows you to once again enjoyed the great outdoors, return to fishing, hunting, farming or just trailing along. You can ad many other functions to this chair that will suite your needs.

This power 4 x 4 wheelchair is strong with superb balance and a low centre of gravity to make your outdoor adventuring much safer, and yet it is low enough to fit under a standard table and narrow enough to drive through a standard door. It is locally manufactured for you and is affordable to own ! Here are some options it can be fitted with:

- Power Tilt-in-Space
- Power Reclining Backrest
- Power Seat Elevation
- Front and Rear lights
- Any colour you want
- 4 Point harness
- Lap table
- Drinks holder
- 12 volt power socket
- Single footplate
- Left/Right/Foot/Chin control
- IPod / IPad / IPhone docking
- Rain and Dust cover
- Rifle mounting rack
- Hazard lights
- Carry bag
- Lap belt
- Trailer
- Name it we will engineer it
